

Butterfly Scalp Vein Set - Horizon

Horizon is a worldwide manufacturer (certified with CE and ISO) and supplier of **Scalp Vein Set**. Our Horizon brand offers various types of disposable scalp vein set, with different needle sizes and closures.

- ▲ Gentle, non-toxic tube that resists bending.
- ▲ Do not contain Natural Rubber Latex.
- ▲ Short, smooth, and thinly walled needle with a beveled tip for gentle insertion and improved flow rate per size.
- ▲ The butterfly wings on the needle hub allow simple handling and skin attachment.

- ▲ **Color-coded wings** make it easy to recognize needle sizes.
- ▲ Designed **for intravenous fluid administration**, it can be used alongside other infusion sets.
- ▲ The **internal needle's bevel is of high quality**, guaranteeing precision during incision.
- ▲ With a **perfectly tapered tip**, the catheter enters veins smoothly, minimizing trauma and ensuring patient comfort during placement.
- ▲ The **ideal bevel-to-tip distance** reduces the risk of vein puncture.
- ▲ The winged catheter hub simplifies catheter fixation, while the **colored EN/ISO hub** with wings indicates catheter size.
- ▲ Coated with **silicone** for effortless insertion
- ▲ An **injection port** allows intermittent medicine dosing during infusion.
- ▲ **Strategically placed centrally**, the injection port reduces risks of vein damage and patient trauma during intermittent injections.
- ▲ The **female luer adapter for scalp vein collection set**, which connects with the male adapter of other infusion sets.
- ▲ Horizon Butterfly Scalp Vein Set is **CE, ISO** certified.
- ▲ Sterile, pyrogen free and designed for single use.
